Alexana Estate Vineyard & Winery

Alexana Winery was born out of vintner Dr. Madaiah Revana's love of the great wines of Burgundy. After an extensive search for the ideal region and land, Dr. Revana acquired an 80-acre estate uniquely located on the northwestern edge of the Dundee Hills AVA where iron-rich volcanic soils converge with the ancient marine sedimentary soils of the Pacific Ocean.

2017 Revana Vineyard Estate Pinot Noir: Precise and tightly focused, with a backbone of vibrant acidity wrapped in dynamic cherry, pomegranate and dark tea flavors that persist toward refined tannins. Drink now through 2026.

Anderson Family Vineyard

This vineyard has been our family's mission since we found our 20-acres – an ancient pile of fractured basalt – in the Dundee Hills in 1989. And since, through years of clearing and planting, supply of superior wine grapes to several winery partners, and creation of our own hands-on small-batch bottlings, our goals have remained the same: plant on steep slopes, grow deep roots, deliver intense flavors. Enjoy!

2017 Dundee Hills Estate Pinot noir: Exceptionally balanced combination of five clones from seven small blocks. Dances between elegance and intense depth. Plums, blueberries, sous bois and marine air. Spicy, long and layered. Petrichor nose.

Archery Summit Winery

Since its start in 1993, Archery Summit has long been committed to understanding the intricacies and unique characteristics of each of our vineyards, resulting in wines that vividly express their distinct places of origin.

2017 Arcus Vineyard Pinot Noir: Capturing the distinctive terroir of this single vineyard, the Arcus Vineyard rewards Pinot Noir devotees with an expansive nose, compelling midpalate, elegant finish, and a superior expression of the variety. The 2017 Arcus flows across the palate in an effortless, enveloping fashion. With pronounced minerality drawn from age-old volcanic soils, the wine from the steeply set, gorgeously situated vineyard is completely captivating in flavor. Compelling fragrances of tobacco, and wild spearmint lead to a lean, umami, focused yet dramatic flavor profile, filled with stone fruit and a distinctive chalky texture.

Argyle Winery

A pioneer in the Oregon wine industry, Argyle was founded in 1987 by Rollin Soles to capture the unique terroir of the Willamette Valley in a sparkling wine. Now Argyle produces one of the most diverse portfolios in Oregon – Pinot Noir, Chardonnay, Riesling and Sparkling wines.

2017 Spirithouse Pinot Noir: Entirely from Knudsen Vineyard, 2017 Spirithouse Pinot Noir displays the delicacy and refinement of the Dundee Hills, all the while glimmering with admirable depth and texture. Raspberry, pomegranate, and orange peel open into delicate floral complexity. The silky tannins and generous weight are balanced with crisp, high elevation acidity, providing tension to the long finish. After fermentation and free run draining, the wine was allowed to age elegantly on its lees for 16 months in French oak, of which 30% were new.

Bella Vida Vineyard

Steven Whiteside was drawn to Dundee in 1992 by a friendship with Jim and Loie Maresh. He is now their neighbor and the proud owner of a fabulous vineyard site producing 7 different types of Pinot Noir. Bella Vida Vineyard, meaning beautiful life, is nestled in the Dundee Hills, surrounded by a supportive community, and is truly a part of Steven's "beautiful life".

2017 Bella Vida J. Christopher Pinot Noir: J. Christopher Pinot Noir is crafted from three Dijon clones with complex floral and spice aromatics leading to sweet blackberry and plum fruit notes on the palate with a minerality that reflects the basalt based soils of the Dundee Hills. Finish is lingering, smooth and fulfilling.

Cramoisi Vineyards

Cramoisi, French for crimson, is derived from the delightful crimson clover that blankets the vineyard every spring. Vibrant, elegant, earthy; Cramoisi reflects the color, beauty and complexity of our wines born from red volcanic soils. Estate grown with respect for the land, the grape and hardworking vineyard stewards. Every bottle honors and delivers our passion, from soil to glass.

2017 Cramoisi Pinot Noir Reserve: This selection of the vineyard's finest barrels, shows off the complexity of both rocky and deep soils, denotes the most sophisticated, elegant and intense wine. Our 2017 Vintage has toffee, plum, cranberry, currant and smooth caramel flavors with aromas of roses, cinnamon and baking spice. The great finish, structure and body make this a wine with a very long life ahead. Elevage: 18 months in French oak barrels

De Ponte Cellars

Nestled high atop the Dundee Hills, De Ponte Cellars is a high-end boutique winery that specializes in elegant Pinot noir and the unique white, Melon de Bourgogne. French born winemaker, Isabelle Dutartre, crafts exceptionally elegant wines that showcase her experience in Oregon and Burgundy alike.

2017 Baldwin Family Reserve: Rich, ripe nose with tones of vanilla, tobacco and black currant. Shows great concentration and power but maintains sultry elegance. Darker, black fruits and spice mingle on the palate, supporting the complex and silky mouthfeel. This is a unique wine from the 2017 vintage – its power, vibrancy and refinement may be unmatched. Enjoy now or cellar 5-10 years.

Dobbles Family Estate

Founded in 2002, Dobbles Family Estate embodies over three decades of fine winemaking. We make wines that are true to their varietal character, showing as much depth, elegance, opulence and balance as possible. Dobbles is dedicated to consistently crafting wines that exude the best of Oregon including traditionally made Burgundian-inspired Pinot Noir and other varietals from Oregon's Willamette and Rogue Valleys.

2017 Vista Hills Vineyard Pinot Noir: A cherry forward aroma dominates with floral rose accents and hints of vanilla and cedar. The red fruit carries onto the palate, joined by notes of tobacco and spice, showcasing the contribution of 22% new French oak barrel aging. The finesse of the 2017 vintage sings loud and clear in this wine, with smooth tannins and supporting acid carrying a medium length finish.

Domaine Drouhin

Established in 1987, Domaine Drouhin Oregon is owned by the Drouhin Family of Burgundy. Fourth-generation winemaker Véronique Boss-Drouhin produces wines of distinction, balance, elegance, and longevity. Philippe Drouhin, who oversees the family vineyards in Burgundy and Oregon, is responsible for the 225-acre estate.

2017 Domaine Drouhin Oregon Pinot Noir Laurène: 2017 marked Domaine Drouhin's 30th Anniversary in Oregon, and the 2017 Laurène marks the 26th release of this cuvée named after Veronique Boss Drouhin's daughter. The wine has charm and character—vibrant, yet restrained, which allows the vintage's detail to be expressed. On the nose, the 2017 Laurène carries notes of pure, sweet cherry, pomegranate, baking spice, ripe blackberries, wild herbs, and fresh sage. While intensely woven now, a few years of cellaring will reveal silk, elegance, and expressive depth of texture. This wine will age for 8-10 years effortlessly.

Domaine Roy

Domaine Roy & Fils found its home on a site named the Iron Filbert Vineyard, paying homage to the iron rich Jory soil series and the old filbert orchard that once stood there. Planted in April of 2013 with neighboring iconic vineyards of Bergström, Cameron, and Maresh. Ten clones of Pinot Noir and two clones of chardonnay make up a high-density average of 2310 vines per acre.

2017 Domaine Roy & Fils, Incline Pinot Noir: Aromatically the 2017 Dundee Hills Incline Pinot Noir shows cranberry, red rose, pie cherry, and a slate-like minerality. The palate is broad, supple and concentrated, with lots of red and black fruit creating a medium plus body. The wine has a great freshness and precision, framed by a low alcohol level. The tannins and bright acidity are integrated and soft allowing the prime drinking window to be around 2020 to 2028.

Domaine Roy & fils

Domaine Serene Winery

Grace and Ken Evenstad first arrived and settled in the Dundee Hills in the Willamette Valley in 1989. At that time, the couple had spent over 20 years together in Minnesota building a successful business, a loving family, and a deep appreciation for the wines of Burgundy. The Evenstads had faith in Oregon early on and invested in a 42-acre hilltop estate that had just been logged in the beautiful Dundee Hills of Oregon.

2017 Evenstad Reserve Pinot Noir: An exquisite expression of Domaine Serene's multi-faceted terroir, the 2017 'Evenstad Reserve' Pinot Noir is robust and perfectly balanced, offering a complete harmonious experience for the senses. A deep ruby hue resulting from a long, gentle extraction entices. The nose reveals bursting aromas of fresh blackberry and cherry compote. On the palate, the wine undulates with a velvety texture and composed tannins, with a crescendo of flavors from exotic spice, forest underbrush, freshly-cut mushrooms and dark fruit. Another truly stunning offering to enjoy now, but also to cellar for graceful aging.

Durant Vineyards

First and foremost, the Durant Family strives to be viticulturists whose wines reflect careful farming and craftsmanship. As a founder in the Oregon wine industry, with our first plantings in 1973, our goal is to produce wines that are of the highest quality. Our 100% estate grown fruit is proudly labeled as Durant Vineyards.

2017 Bishop West Pinot Noir: Lively garnet in the glass with rich aromatics of strawberry, red cherry, violets, dark chocolate, anise, and sweet French oak. The palate brings diversity from ripe muddled cherries and rhubarb pie, to rich leather, dried tobacco leaf, clove, nutty, and floral notes. Velvety tannins and fresh acidity are complemented by a supple mouthfeel which come together to highlight layers of flavor long after the last sip.

Élevée Winegrowers

Élevée Winegrowers is a "Study in Terroir" ...focused on exploring the distinct flavors of the Willamette Valley's diverse Appellations. We believe that a wine is shaped equally by one's growing and winemaking choices. In fact, we feel they are one and the same. Consequently, at the heart of Élevée is this concept of 'winegrower'... one part 'winemaker', one part 'grower'. The two are inextricably linked.

2017 Élevée Vineyard Pinot Noir: This wine reveals a captivating perfume of raspberries, cherries, keemun black tea, and powdered lilacs, with hints of baking spices and cola, around a mineral core. This is a full body wine, with lively acidity, and broad, fine, silky texture. The long finish lingers with a chorus of raspberries, fading violet petals, and Dundee dust.

Fox Farm Vineyards

Fox Farm Vineyards started in 2005 when David Fish, Desiree Neel and Thomas Ratcliff all attended a Wine Symposium (OPC) in Willamette Valley, Oregon. Thomas and David were casual industry acquaintances attending the same event, but each had many years' experience in the world of wine employed as Sommeliers. While touring and tasting their way through Willamette Valley, they had a conversation similar to those spoken by many other wine lovers: "Hey, wouldn't it be great if we could make wines like this, too?"... (fast forward) David & Desiree get married, then buy a home in the Dundee Hills which just happens to have 5 acres of land, in a prime location, with Jory soil, and a southeast slope perfect for a vineyard. Fox Farm Vineyards began and has since grown to produce approximately 1200 cases per year.

2017 Pinot Noir: This is the softest and most elegant wine that Fox Farm Vineyards produces. 100% dry-farmed, old-vine Pommard pinot noir, from a steep east-facing block in The Dundee Hills. This site is noted for making small crops of tight, delicate clusters of flavorful pinot noir. The resulting wine is fresh, lively, and balanced, with complex aromatics of red fruits, kitchen spices, herb tea and smoke. With cellaring (and will-power), this wine will age gracefully for 8-10 years."

Furioso Vineyards

Winemaking is in my family, although on a small scale. What, then, do you hold in your glass? It is the lingering scent of crushed grapes; the vivid memory of my grandfather tasting from each barrel in our home cellar. It is the tendrils of the vine that held my famiglia together as we moved from Italy to Canada, to the United States. It is the magic of fermentation, the transformative process of life as an artist, a businessman, and now, at last, a vineyard owner. It is the gift of family, the extension of the Furioso line, the fruit of a lifetime's experience. "It is my greeting to you, in fellowship and in health. Cent'anni, Giorgio."

2017 La Linea Furioso Pinot Noir: A little shy with its look, this wine will surprise with its perfumy, complex nose of fresh raspberry, violet, and sweet spice. In the mouth, the wine is gracefully expressive with cherry and blueberry flavors paired with some elusive notes of blood orange. The palate displays a delicate structure and delivers extremely polished tannins. This 2017 version of La Linea is really showing its feminine streak here. With every sip of this wine, we think of Lauren Bacall: Classy, elegant but with those penetrating piercing eyes, not so different to the vibrant intensity that this wine has to offer. Enjoy with a porcini risotto or a grilled pork tenderloin with plums. Will work well also as a sipping wine while watching "The Big Sleep".

Holloran Vineyards

As a grower and wine producer since 1999 in Oregon's Willamette Valley, our handcrafted wines begin in the vineyards we own and farm. We emphasize low yields and careful hands-on management of the vines to produce wines that express the unique characteristics of our vineyard sites, including our older vines planted in the early 1970s. We produce Pinot Noir, Tempranillo, Riesling, Chardonnay and Sauvignon Blanc.

2017 Holloran Pinot Noir Le Pavillon Vineyard: This pretty, elegant old-world style Pinot Noir starts with a dusty cherry nose, plus a hint of cinnamon. On the palate, black cherry notes mix with a touch of damp earth, and grilled blood orange. The finish extends, very softly, showing ripe tannins. With bottle age the wine will evolve substantially. Recommended drinking window 2022-2030. Enjoy with [Pork Loin with Cherry-Orange compote](#).

Knudsen Vineyards

Knudsen Vineyards is an iconic vineyard in the heart of the acclaimed Dundee Hills AVA overlooking the fertile Willamette Valley, majestic Mt. Hood and the North Cascade mountain range. The Knudsen family has grown grapes and made wine for 45 years. Knudsen Vineyards was established in 1971 by Cal and Julia Lee Knudsen. As second-generation stewards of Knudsen Vineyards, Page, Colin, David and Cal Jr embrace their family's legacy and honor their parents by making great wine reflecting the unique attributes of our land.

2017 Dundee Hills Pinot Noir: Red raspberry, spiced cherry, and blood orange emerge from the glass, followed by gentle notes of cola and quinquina. The body is light and linear with a good balance of youthful fruit and complex spices with a whisper of oak in the background. On the palate, suggestions of orange blossom and allspice, supported by crisp acidity and a pleasantly long finish.

Lange Winery

Don and Wendy Lange founded their eponymous winery and estate vineyard in 1987 with the purchase of a thirty-acre parcel in Northern Willamette Valley's prestigious Dundee Hills. Their move north from Santa Barbara was precipitated by a few inspiring bottles from two of Oregon's most iconic producers: Eyrie and Erath. A call to Dick Erath (whose phone number was listed on the back label) convinced the Langes to embark on a scouting trip. Starting at the southern end of the Willamette Valley, they tasted their way up, stopping only when they reached the Dundee Hills. The couple saw a real estate sign advertising a property suitable for farmland—the property's elevation and aspect reminded Don of the Grand Cru vineyards of Burgundy's Côte d'Or. The Langes planted their estate vineyard in 1988.

2017 Pinot Noir: This bottling is a pure expression of terroir and displays the earthy minerality of the volcanic soils that the Dundee Hills AVA is known for. Beautifully red-fruited with exotic spices, this deeply complex wine is backed by an elegant structure and balanced tannins.

Maresh

Maresh Vineyard produces some of the most sought after and acclaimed fruit in Oregon. Planted predominately to Pommard and Wadenswil clones, the vineyard contains some of the oldest vine Pinot in the state. It is the 5th oldest vineyard in the state and the oldest on Worden Hill Road. Winemaker Jim Maresh is the third generation of the Maresh family working on the farm.

2017 Maresh Vineyard Pinot Noir: Translucent magenta. Heady, mineral- and spice-accented red and blue fruit and potpourri aromas are complemented by exotic incense and Asian spice flourishes. Vibrant, palate-staining raspberry, red currant, boysenberry, candied rose and spicecake flavors suavely blend power and delicacy. Sneaky, polished tannins add subtle grip to a strikingly long, incisive finish that leaves resonating floral and spice notes behind.

Native Flora

Native Flora, the Dundee Hills Winery Sanctum, is a small, secluded vineyard and winery hidden high above the Chehalem Valley. With stunning vistas, innovative ideas, and a rebel spirit, we produce premium estate wines in limited quantities for folks who enjoy great wine. The earth, the vineyard, the people, the flora and fauna, the buildings, the rain – everything that exists on our 33-acre site – work in harmony to grow great grapes and produce fine wine.

2017 The Heretic, North Slope Pinot Noir: This single block Pinot Noir comes from their steepest north slope plantings. It is a darker, smoldering, almost brooding yet elegant pinot, showing notes of tobacco and earth scents over deep cherry. It is denser than most pinots, and reminiscent of Burgundies from Romanee St. Vivant. The Heretic truly displays the range of options available on this marvelous estate.

Sokol Blosser

For nearly 50 years, before there was an Oregon wine industry, the Sokol Blosser family began growing grapes in the Dundee Hills of Oregon's Willamette Valley. Situated on a certified organic 80-acre vineyard and farming another 25 acres of vineyards in Eola-Amity Hills, B Corp-certified Sokol Blosser Winery consistently captures the terroir of the region as expressed through the brilliance of its estate fruit. One of the pioneering wineries of Oregon, Sokol Blosser is run by the Sokol Blosser family, who emphasize sustainability and good to the earth policies in every phase of the business.

2017 Twelve Row Block Estate Pinot Noir: This estate Pinot Noir is full of aromas of leather and other earthy notes. An intense spice swirls around the palate with dark fruit notes, it finishes with strong tannins from the extended maceration and barrel aging in French oak. This is the wine to bring for rich French cuisine, beef bourguignon, cassoulet, and duck confit.

Stoller Family Estate

At Stoller, our roots run deep. The family established the property in 1943 and the vineyard fifty years later. Today, we are the largest contiguous vineyard in Oregon's Dundee Hills. We control every step of the process, from pruning to bottling and everything in between. The result is award-winning wines that are balanced, complex, and consistently exceptional. Much has changed from the original farm, but one thing remains constant: our pioneering spirit. Our winery is the first in the world to receive LEED Gold certification, attesting that our winery is sustainably built and environmentally friendly.

2017 Stoller Family Estate Reserve Pinot Noir: The 2017 Reserve Pinot Noir is classic Oregon with bright acidity, lighter tannin structure, and fresh fruit characteristics. This Pinot Noir opens with aromatics of ripe raspberry, red rose, and earth. The palate presents elegant tannins, carrying flavors of Bing cherry and pomegranate, with hints of bramble. This wine can be enjoyed now; however, it was constructed for longevity with proper cellaring.

Torii Mor

Torii Mor Winery started with a vision: the pursuit of elegant, Old World style Pinot Noir. Dr. Donald Olson moved to Oregon to pursue this vision and purchased an older vineyard in the Willamette Valley, planted in 1972, and renamed it Olson Estate Vineyard. High in the Dundee Hills, the ten acres of old vines produce high-quality Pinot Noir, Pinot Gris, and Chardonnay year after year. Don was drawn to the close ties Pinot Noir has to the earth and its ability to express terroir.

2017 Olson Estate Vineyard Pinot Noir: This complex wine emerges with aromas of violet, cherries and blueberry. Bright on the palate, flavors are sweet with concentrated dark berry notes and rich chocolate, leading to a long and elegant finish of earthiness and a light touch of oak. The wine is ready to drink now but will be worth the wait with 6 or more years of cellaring.

Winter's Hill Estate

Sitting atop the storied Dundee Hills of Oregon, Winter's Hill is owned and operated by the Gladhart family. Today the third generation is developing the farm established in 1961. Together with our employees, we manage our vineyards, fields, and forests for the long-term benefit of our family and our community. The vineyards were planted in 1990, and we produce 100% estate grown and produced wines from Pinot Noir, Pinot Gris and Pinot Blanc.

2017 Winters Hill Pinot Noir Block 8: This wine is a selection of only 4 barrels from the Block 8 section of vineyard and is comprised of 100% Wädenswil clone Pinot Noir. Block 8 is the smallest, steepest, and warmest section of the vineyard. Block 8 ranges from 620-680 feet in elevation, and produces a Pinot Noir that showcases more elegance, floral and fruit characteristics with high acidity. This 2017 vintage showcases aromas of dried rose petal and red cherries with an earthy undertone. The palate is light-medium body filled with cherries and finishes with juicy acidity and soft tannin.
